TECHNICAL SKILLS

- **Languages:**
C++, Python, PHP, JS
- **Web Dev:**
HTML5, CSS3, Symfony
- **Databases:**
SQL
- **Hardware:**
Arduino
- **Soft Skills:**
Logic, Problem-solving

LANGUAGES

- **French:** Native
- **English:** B1-B2 (Intermediate)
- **Spanish:** A2 (Elementary)

INTERESTS

- **Chess:** 1400 FIDE Elo
- **Handball:** Club player (5 years)

Raphaël VERY

Computer Science Student – C++ Spec.

PROFESSIONAL SUMMARY

Second-year computer science student at the University of Reims looking for an opportunity to develop my skills and knowledge in fintech and algorithms. I have a specific focus on C++, including an experience in a project that aimed to create semi-autonomous robots. Professional web developer proficient in well-known languages and frameworks such as PHP, Symfony, HTML, CSS, JavaScript, React and Phaser.

IT PROJECTS & ACHIEVEMENTS

Autonomous Robot Design (Arduino)

Hardware & Embedded Programming

- Designed and built an autonomous robot capable of navigating a predefined track and throwing objects.
- Programmed the hardware components and logic using Arduino (C/C++ based).

Solitaire Game Simulator (Python)

Software Engineering

- Developed a 2D simulator for the classic Solitaire card game.
- Programmed the game logic, card mechanics, and graphical interface using Python and Pygame.

EDUCATION

Bachelor of University of Technology (BUT) in CS

IUT Reims-Châlons-Charleville | 2024 – Present

- Specialization: C++ Software Development

Engineering Integrated Preparatory Class

University of Technology of Troyes (UTT) | 2023 – 2024

High School Diploma (Baccalauréat) – Science Track

Lycée Joliot Curie | 2021 – 2023

- Graduated with Honors. Option: Advanced Mathematics.

WORK EXPERIENCE

Seasonal Worker

SCARA (Agricultural Cooperative) | Jul 2023, 2024, 2025

- Demonstrated strong work ethic and teamwork in a demanding physical environment during harvest seasons.
